

# As a man thinketh in his heart; so is he:

“No legacy is as rich as honesty.”

Good morning to one all Today I ‘Mohammad deem ‘of class 12 –a stand before you to delivers the speech on “As A man thinketh in his heart so is he.”

I would like to speak on one of the noblest value that is honesty if you are honesty from within you will reflect that in your personality. I would like to share a short story regarding this.

A little boy went into a drug store reached for a soda carton and pulled it over to the telephone. He climbed up onto the carton so that he can search the buttons on the phone and proceeded to punch in the phone number. The store –owner observed & listened to the conversation which was going like this. Boy asked the Lady, can you give me the job of cutting your lawn?

Woman on the other end of the telephones line denies by saying that I already have someone to cut my lawn.

Boy then said that I will cut your lawn for half of the price of the person who is cutting your lawn now.

Woman again denies by saying I’m very satisfied with the person who is presently cutting lawn

Boy with more perseverance said lady I’ll even sweep your curb & your sidewalk, so on Sunday you will have the prettiest lawn of all.

Woman in a rude voice replied No, thank you.

With a smile on his face the little boy replaced the replaced the receiver the store – owner who was listening to all this walked over to all this walked over to the boy and said that son..... I like your attitude; I like that positive spirit & would like to offer you a job.

Boy said No, thanks.

Then the store –owner replied but you were really pleading for one.

Listening this THE Boy said No sir I was just CHECKING MY PERFORMANCE AT THE JOB I ALREADY HAVE. I am the one who is working for that lady I was talking to!

This is what we call self Appraisal every time if we don’t get ahead of others, we blame others for it, and instead of finding our own weaknesses we should work hard with honesty and with full dedication .It will always pay up.

Honesty is a great virtue which is adored all over the world .It is rare to find a truly honest man.

History tells us that how honest men in the world have prospered in their life by hard lab our and sincere efforts .An honest man becomes morally strong keeps his head light in the society .His character is like a sharp reword made of stainless steel

In the end, I would like to conclude by saying:-

**“Honesty & integrity are absolutely essential for success in all the area of life.”**

“Being Honest may not get you many friends but it will always get you the right one.”

THANK YOU...
