

GOD IS PRESENT EVRYWHERE

Good morning to you all! Today I, Harshit Sonker of class 7-A stand before you to present my views on the topic “God is Omni-Present” God is present everywhere so he is always with us. He is always with us because he is an infinite spirit. He is not restricted to be in one location at a time. He fills every inch of space throughout the universe with all his wonderful personal attributes. Although he is distinct from his creation, we live in his glorious world every moment of everyday. When we are alone, God watches us what we do. When we do something good that nobody else knows, God watches it and will reward accordingly.

He also watches the bad things we do in secret. Everything is exposed to his eyes. This is the God to whom we explain all that we have done.

God wants us to live in peace and his ever-presence makes it possible for us to be in constant communication with him and to depend upon him.

God’s magnificent presence is all that we need for any challenge that may come our way. No circumstance can remove us from our loving God.

At last, I would like to say that God is always with us in our joy and sorrows. He helps us when we call him through our prayers. He is ever-present savior lord and our dearest friend.
